**RE: Revocation Of Courthouse Security Pass**

**Dear Sheriff:**

I have the pleasure of requesting that you reinstate my Courthouse Security Pass. I will not be able to perform my duties as prescribed by law if I am not allowed to bring my digital devices into the courthouse or at a minimum I will be at a disadvantage to my fellow practitioners. These procedures for attorneys to make application, proper payment, and issuance of said ID/Pass by your office was dictated by the Courthouse Security Committee of which you are only one member. And it would seem that if a member of the bar were to have something revoked, there would be some kind of due process. I wish you would resign, but in the alternative, please reinstate my security pass.

Sincerely,

Harry Still, III
